Costumes for the Production

Dear parents,

We are well underway with our school production now and the children have been doing a fabulous job learning lines, making props, singing, dancing and looking after our technical areas.

We are going to need to make sure everyone has their costume organised and would like to rehearse in costumes before we go to the High School for practises on Monday the 9th of December and take photos of everyone in costume.

Below is an outline of what your child will need to bring, depending on their role in the production.

Room 1

Children that are in the Anchor's Away dance will need:

Girls: a dress, longish if possible, any colour, thinking 1700's so maybe something with a bow. Please don't go to a lot of trouble even a ribbon tied around a dress they already have will be fine and sandals or shoes.

Boys: A shirt and jeans or long pants, and shoes or sandals. They can wear suspenders if you have them.

Could your child/children please bring their costumes to school in a named bag by Monday the 2nd of December. They will be kept at school until the production.

We appreciate your support and please let us know if you have any queries.

Thank you.

Kind regards,

Staff at Moanataiari School
