

Moanataiari School Newsletter - 2nd March 2020

Dear Parents, Caregivers and Students

Our new app service now displays our newsletters so shortly we will stop sending home paper newsletters to all families. Those families who have requested a paper copy will continue to receive one, but if you need a paper copy or if you would like it emailed to you, please fill in the form below.

We are concerned about the implications of the Corona virus and need to be able to contact families urgently if necessary and know if you have internet access at home. Please use the form attached if you need to update your information. We would especially appreciate email contacts.

We have an action-packed week ahead and look forward to catching up with as many parents and caregivers as possible at the swimming on Friday. There will be no assembly this week due to the swimming but we will finish at the usual 2pm Friday finish time.
