

SEEKING VOLUNTEERS TO HELP OUR STUDENTS LEARN AND GROW

At Moanataiari School, we want to be able to offer our students more opportunity to learn and grow.

Our students want to:

- attend sporting days / field trips
- learn about performing arts
- learn about their local heritage and culture
- have more learning support available to them e.g. reading

We are finding with our whanau working during school hours, it is difficult to get the parent help we need to provide the extra curriculum opportunities to our students.

If there is anyone in Thames that would like to add their name to a volunteer register, please contact the school office staff by:

- Phone – 07 868 6504
- Email – office@moana.school.nz
- Pop in to the school office at Kuranui Street, Moanataiari between 8.30am – 4.00pm

Please also let us know what your interests and/or expertise are and how you could help.

We will record your name on file to contact when we have a need for volunteer assistance throughout the year. You don't have to be available or say yes if it doesn't suit – but if you can assist, you will be making a student's day.

You don't have to have a direct association with Moanataiari School – you may just have some spare time, have a passion for children, or have expertise in a particular area e.g. music and are happy to get involved and share your knowledge and time.

Please note police vetting may be undertaken, particularly for off-school grounds excursions.

We look forward to hearing from you.
