Res Kids News

Last week was all about teamwork. It was lots of fun as a session and full of learning through experience.

At the beginning of the session, I challenged and explained to the group that this session is going to require a lot of team work or else it is going to be really frustrating.

A lot of them chose the word "determination" as their attitude today, to try their best and not give up.

We played lots of different games and tested their perseverance, communication, and teamwork skills.

They all excelled in their own way. It was inspiring to witness the students embrace this challenge wholeheartedly and to see them grow and develop through these hands-on experiences.

Gymfest

The gymfest competition is happening soon, on **Friday 23rd June**.

Further details about this event have been sent home to our participants.

Basketball

Our Year 7 & 8 students will once again play against Saint Francis School this **Friday 9th June**, this time here at Moanataiari School.
