Kia ora tātou

Room 6 and 7 have held swimming competitions over the last week or two, so congratulations to everyone who participated. We are very fortunate to have our own swimming facility here at school where our students can learn to swim. The swimming season has now ended, but many thanks to our caretaker, Brendon Arnold, for keeping the water sparkling and clean for us.

Although the air has certainly cooled, we are still experiencing many sunny days, so students still need to wear their sun-hats when outdoors at school until the end of Term 1.

Pinecone Fundraiser

We have a few bags of pinecones for sale for \$10 each left over from our Wellington fundraising. Please contact the office if you would like some.

Junior Reading

Every week the teachers in Room 4 & 5 send home their focus letter sounds and decodable words from the current week's reader in your child's small note book, which is kept in their book bag.

Supporting your child's reading progress by revisiting these focus letter sounds and decodable words they have for that week would be greatly appreciated by both the teachers and your child.

Room 3, please continue reading homework as usual with the spelling words that are sent home.
