Kia ora tātou

We are very fortunate to not have any students or staff with Covid currently, which means we are able to have classes and learning as usual at school. Our classes are fully operational so we are not sending work home at the moment. We will keep updating our status daily.

With the changeable weather there have been a few cold bugs around though, so please have a Covid test if you have any symptoms just to be sure.

David Brock, Principal – Tumuaki

Coming up:

Mon 7 Mar H&V testing – cancelled
Tue 8 Mar Year 7 & 8 immunisations
Mon 21 Mar BoT meeting 5.30pm
Sun 03 Apr Daylight saving ends

ANZ Thames 01 0455 0108122 01

2022 School Leaders

We announced our school leaders today in Room 7:

Sport – Blaze Houghton and Bella Morgan-Bevan
Environment – Ruby Donaldson and Skyla Swindells
Technology – William Jensen, Lincoln Donaldson and Sam Jones
Kakariki – Eliza Carter and O'Shynn Fowler-Reynolds
Tui - Lincoln Donaldson and Lilly Donaldson
Weka – Lily McCarthy and Sophie Whyte
Kiwi – Blaze Houghton, Khloe Nottingham and Hunter O'Keeffe.

Congratulations to them all and well done to all those that applied. Their application letters were very persuasive and displayed an understanding of their strengths and what they could offer the position.

We Won Goodies from Watertest Products!

Many thanks for Claire and Julie for entering us in a draw to win two Earth Force water monitoring kits.

These will be great science experiments for our students.

Year 7 and 8 Immunisations Tomorrow

Year 7 Immunisation (Diphtheria, Tetanus, Pertussis/Whooping Cough):

In Year 7 students are offered free vaccine against tetanus, diphtheria and whooping cough.

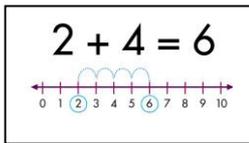

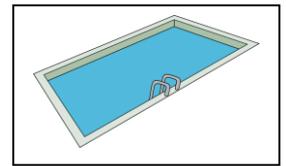

In New Zealand, babies and young children are given vaccines to protect them against these diseases. As children get older this protection, wears off so Year 7 students need to boost their protection against these

Year 8 HPV Immunisation Programme

HPV (human papillomavirus) vaccination helps protect from cancers caused by this virus.

Swimming at School

We are still swimming at school but it can be a bit cooler when students get out of the water, so please bring your uniform jumper to school in case you need it.

Prime Maths Books

Many thanks to those families who have already paid for their Prime maths books. These workbooks are used in all classrooms and are listed on class stationery lists for \$10 each, which can be paid for at the school office or online.

Pinecone Fundraiser

We have a few bags of pinecones for sale for \$10 each left over from our Wellington fundraising. Please contact the office if you would like some.
