# MOANATAIARI SCHOOL BOARD OF TRUSTEES UPDATE

## Kia ora Moanataiari Whānau

Happy Holidays! The Board would like to take a moment to share an update from our March meeting.

### Expressions of Gratitude

We would like to extend our heartfelt thanks to the following who have gone above and beyond during the term:

Pam, for her dedication and the fantastic job she has done in her role as Acting Principal - her leadership and work is greatly valued.

Peggy, for her support and help in the office to keep it running during the term.

Karen, for relieving in Pam's class and Adrienne, for relieving on Friday's in Room 2. This ensured continuity for our students and we appreciate them both taking on this fixed term position for Term One.

We truly appreciate the time, effort, and energy that they all contributed to our school.

### Academic Achievements

We are delighted to celebrate the results of our 2025 phonics check testing. Our students are currently performing above the national average - an achievement that reflects the hard work of our learners, staff, and whānau. We are proud of this success.

### Holiday Programme Proposal

There is an opportunity to explore the possibility of offering a school holiday programme for Moanataiari School students. To help guide this decision, we will soon be sharing a survey with families to gather feedback and gauge interest. We encourage you to keep an eye out and have your say.

### Holiday wishes

As Term One has now come to a close, we wish all of our school community a safe, restful, and happy holiday period.

Ngā mihi nui,

Moanataiari School Board of Trustees
